

LASER ETCHING Boot Camp

PROFESSIONAL Laser Etching System

What is it?

One-day session where you will learn to design laser production files utilizing Design Mart designer packages, your custom photographs and artwork, and then produce them on the Allen Datagraph laser etcher.

- Cost?**
- Early registration: **\$75.00 until February 20, 2009.**
 - After February 20: **\$125.00**
- Each session includes lunch.

Bring in a photo and see how easy the Laser System operates.

Who Will Be There

Mike Elliot, President of Allen Datagraph, will be on hand to walk participants through hands on operation of his Professional Laser Etcher.

Ron Clamp, is a third generation 20-year veteran sand carver, and Hyatt's Monument equipment specialist. Experienced in many techniques, Ron will be available to work individually with each attendee, whether in the design or production phase of this training event.

Mike Fernandez, designer of the widely used Design Mart designer art packages, will be hosting the event at his facility in Elberton Georgia. Mike will be on hand to demonstrate the front end of laser etching, design and preparation of files for laser etching. Visit Design Mart at www.designmart.com
