

# Introducing the Industry's TOP Outdoor Digital Print Warranty

Up to 7 Years Protection for Your Printed Graphics

## THE ORALIFE™ COMPONENT SYSTEM WARRANTY

The ORALIFE™ Component System (OCS) warranty from ORACAL USA includes specially matched media and laminates to fit almost any graphic application where a pressure sensitive adhesive is needed. Combined with your approved wide-format inkjet printer and corresponding OEM ink sets, the OCS warranty can help you achieve an unrivaled level of performance and guaranteed reliability for your outdoor digital prints.

### Choose the OCS Warranty that's Right for Your Specific Job:

#### OCS7™

Superior engineering allows ORACAL USA to offer the longest outdoor print warranty in today's graphic marketplace—seven years for your covered digital prints.

##### Qualifying Media

ORAJET® Series 3951 Professional Wrapping Film  
ORAJET® Series 3951RA Professional Wrapping Film with RapidAir™

##### Required Laminate

ORAGUARD® 290 Premium Cast Laminating Film  
ORAGUARD® 293 Ultraflexible Cast Laminating Film

#### OCS6™

For slightly less demanding applications, this warranty system provides a six-year outdoor durability rating for your covered digital prints.

##### Qualifying Media

ORAJET® Series 3551RA High Performance Digital Media (RapidAir™)  
ORAJET® Series 3551 High Performance Digital Media  
ORALITE® Series 5600 Conformable Reflective Digital Media

##### Required Laminate

ORAGUARD® 290 Premium Cast Laminating Film  
ORAGUARD® 293 Ultraflexible Cast Laminating Film

#### OCS4™

For shorter-term applications such as transit signage and POP graphics where performance and value are a must, this system provides a four-year outdoor durability rating for your covered digital prints. *(Flat applications only)*

##### Qualifying Media

ORAJET® Series 3621 Economy Digital Media  
ORAJET® Series 3640 or 3641 Promotional Digital Media  
ORAJET® Series 3164 Economy Digital Media  
ORAJET® Series 3165 High Density Intermediate Digital Media  
ORAJET® Series 3165RA High Density Intermediate Digital Media with RapidAir™

##### Required Laminate

ORAGUARD® 210 Intermediate Laminating Film

#### OCS5™

For clients who demand high value without sacrificing longer-term reliability, these matched materials provide a five-year outdoor durability rating for your covered digital prints. *(Flat applications only)*

##### Qualifying Media

ORAJET® Series 3850 Translucent Digital Media  
ORAJET® Series 3651 Intermediate Digital Media  
ORAJET® Series 3551RA High Performance Digital Media (RapidAir™)  
ORAJET® Series 3551 High Performance Digital Media

##### Required Laminate

ORAGUARD® 215 High Performance Laminating Film

#### OCS3™

For vehicle and architectural window graphics applications. This system provides an industry-leading three-year outdoor durability rating for your digital prints.

##### Qualifying Media

ORAJET® Series 3675 Perforated Window Graphics Digital Media (50/50)  
ORAJET® Series 3676 Perforated Window Graphics Digital Media (60/40)

##### Required Laminate

ORAGUARD® 290F Optically Clear Cast PVC Laminating Film

## Advanced Color Management

ORACAL's specially developed Advanced Color Management program provides exceptional technical expertise for any questions that may arise when using our ORAJET® line of digital print media. From offering advice on choosing the appropriate media for your application to helping with RIP software, color management or profile issues, our experts are always just a phone call away, ready to provide the assistance you need to ensure the high-quality results you expect.

## ORALIFE™ COMPONENT SYSTEM Warranty Details

The OCS Warranty from ORACAL USA applies to specified combinations of ORAJET digital media and ORAGUARD laminating films when used in combination with approved wide-format inkjet printers and OEM ink sets. For an up-to-date list of approved materials and printers, visit the "Support" section of the ORACAL website at [www.oracal.com](http://www.oracal.com).

Covered failures include cracking, blistering, fading or peeling of the media or printed image in vertical exposure applications in the United States (excluding the desert Southwest, which includes the southern regions of CA, NV, UT the entire states of AZ and NM and northwest TX, wherein this warranty will be reduced by 2 years). Film failure caused by ink over-saturation is not covered. In the case of vehicle wraps, image fade on horizontally exposed surfaces such as the vehicle hood, roof and trunk will be warranted on a pro-rated basis in proportion to the stated OEM ink life expectancy in such an exposure.

All ORACAL products are produced in compliance with ISO 9001 quality certification standards and are warranted to be free of defects in materials and manufacture and to perform as stated when materials are stored, handled and installed in accordance with ORACAL's stated product technical recommendations and information bulletins.

Warranted graphics must have been printed and installed after 02/01/05 for the warranty to apply. Products must be processed and applied within one year of purchase for warranty to apply. The OCS Warranty shall not apply to products that have been subjected to misuse, misapplication or neglect, including but not limited to improper storage.

The exclusive remedy under the OCS Warranty shall be the replacement of warranted materials (digital media and laminating film) or, at ORACAL's option, a refund of the purchase paid. In no event will ORACAL USA be responsible for any consequential or incidental damage of any kind. Claims against the OCS Warranty will be verified by an ORACAL-approved laboratory. Ink contaminations/failures recognized by their respective ink manufacturers will not be covered by this warranty.

In order to be eligible for the OCS warranty, the ORALIFE Component System Warranty Pre-Approval Form must be completed in full. Once this form has been completed, please fax to: 912-851-5060. We will review your information and issue a non-transferable warranty certificate to you within ten business days. If you have any questions please call 888-ORACAL-1 extension 130.
