

# The PROtime PARTNERship Program

## Let Your Purchases Work For You...

### Partners in Success

You are running a successful business—you have invested in great equipment, received training, and purchase the right materials. You are well on your way to making your investment pay off.

Now your goal is to maintain maximum productivity with that investment! Hyatt's can help you stay up and running with our Hyatt's PROtimePARTNERship Program.

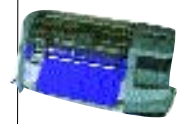

### What is the PROtime Program?

Hyatt's PROtime Support Program is a value added service available to Hyatt's customers. Free technical assistance is provided by phone for Hyatt's supported applications and equipment to Hyatt's PROtime PARTNERS purchasing an average of \$1,000 per month in equipment or materials.

In addition, PROtime Support PARTNERS receive reduced rates for Hyatt's On-Site Training and Hyatt's Online Training. Please review the details listed here and then contact your Hyatt's Materials Sales Representative. They are eager to talk to you about this program.
