# Let's CREATE ART

**D**uring this party, children will complete 3 different art projects made from different media – one drawing, one painting, and one clay. The birthday child may pick the theme for creating the art ahead of time. Some favorites include animals, pizza, unicorns, and under the sea.

# Let's PAINT A masterpiece

**E**ach child will make their own 11x14 painting on stretched canvas in a theme the birthday child has chosen. The children will have fun creating their own masterpiece as the teacher takes them step-by-step through the painting process.

# Let's TIE DYE

**T**his fun and creative party allows each child to create their own tie dyed cotton tote bag. The party organizer may choose to provide additional pieces for the children to tie dye at the party such as cotton socks, pillow cases, or shirts. Please discuss this option at the time of booking.
