

GERBER EDGE® FX Thermal Printing System

Contact Kathi.
ext. 642
khauser@hyatts.com

WHY AN EDGE FX?

- Ease of use; lower cost refills.
- Output ready to use.
No need to wait for inks to dry.
- Material/color profiles are all preset.
- Print from any workstation on the network.
- No fumes or chemicals.
- No ventilation required.
- No OSHA concerns.
- No MSDS sheets to file.
- Low maintenance.
- 3-year outdoor durability without lamination proven in environments around the world.
- Large selection of materials (more than can be utilized with inkjet).
- Produces many products with high profit margins.
